**NOME**

Roxane grew up in Diomedes, Teller, and Nome, was educated in Nome, and now lives and works in Nome. When she was a high school student at Nome-Beltz, she attended NACTEC for Driver's Education.

After further local training, Roxane earned her chauffeur's license and began working as a cab driver in Nome. NACTEC helped put her in the driver's seat which in turn keeps the local economy humming along.

Aside from driving cab, Roxane also now works at NACTEC as a house parent, passing on the values and structure she gained as a student herself.
